

## The Queen's Platinum Jubilee Project - Reception

Her Majesty The Queen has become the first British Monarch to mark 70 years of her reign.

We would like you to join us in creating a whole school display celebrating the Queen's Platinum Jubilee.

**Reception** you need to focus on the decade of **2010** (2010-2020) where you need to create a home learning project showcasing the events of The Queen's personal or public life (or both!)

Think about: What did The Queen do during this time?

Your project can be a fact sheet/file, a poster, a collage, a quiz, a model, a PowerPoint presentation or research on a Word document.

Be as creative as you like!

**Homelearning due: Monday 6<sup>th</sup> June 2022**

**Good luck!**
