

Year 1 Curriculum

Maths

In Maths children will learn number bonds to 10 and 20, apply place value knowledge to represent numbers using objects, solve addition and subtraction problems as well as compare and describe lengths and heights. We will also be learning about position, movements and turns. The vocabulary we would like children to use is add, subtract, total, equals, hundreds, tens, ones, smaller, longer, taller, shorter, multiply, divide, turn, forwards and backwards.

English

In Literacy we use the power of reading scheme. We will cover a range of books, including, Where the wild things are, Once Upon a snowstorm, Fantastic poems, The carrot and the pea, The Snail and the Whale. Beegu, Claude in the city.

Science

In Year 1, the children will investigate seasonal changes and explore various weather aspects. They will get the opportunity to describe typical weather for each season and look at how extreme weather can affect us.

Humanities

In Geography, year 1 will be exploring changes over time, describing seasonal weather changes. Children will use simple maps of the local area to describe where they live. Children will also learn about weathers around the world and how it affects the environment.

In History, children will Focus on chronological understanding and differences between now and then. They will explore Castles in Britain and learn about nurturing nurses.

Reading

In reading in year 1 we are focusing primarily on ensuring children use their phonic knowledge to decode and blend quickly and accurately. To read common exception words, noting unusual correspondences between spelling and sound and where these occur in words. To check that a text makes sense to them as they read and to self-correct. To contribute confidently in discussions about a text, take turns and listen to what others say.

Computing

In Computing Year 1 will be:
-Understanding the use of Algorithms
-Use logical reasoning to make predictions
-Write and test simple programs
-Communicate online safely and respectfully
-Organise, store, retrieve and

PE DAYS

1B - Tuesday and Wednesday
1I - Monday and Tuesday
1M - Monday and Tuesday
1P - Tuesday and Friday
1S - Tuesday and Friday

Autumn - Forest schools workshop
Spring - Walking to the local shops/Zoo trip
Summer - Windsor Castle

Humanities

In Religious Education, children will learn to retell the Christian Creation story and learn how Jesus is special to Christians. Children will be taught why Jesus was welcomed like a king on Palm Sunday. During the summer term, children will learn about a Jewish festival called Chanukah and take part in activities related to Chanukah. They will also learn about Shabbat and why is important to Jewish children.

Homework

Booklets are given out every Friday for maths and comprehension. They are due in the following Tuesday.

P.E

Learn Fundamental Movement Skills such as running, jumping, throwing, catching, balance, agility and coordination

- Participate in team games
- Perform dances using simple moves

ART & DT

The children are taught to use a range of materials creatively to design and make products. They use drawing, painting and sculpture to develop and share their ideas, experiences and imagination. Develop a wide range of art and design techniques in using colour, pattern, texture, line, shape, form and space. The work of a range of artists, craft makers and designers, describing the differences and similarities between different practices and disciplines, and making links to their own work.

Citizenship

Resilience Days will be timetabled every half term. The children focus on transferring skills such as getting active and looking on the bright side to their everyday life.
