

Dear Parents and Carers,

Marish Academy Trust will be taking part in this year's **RBC Virtual Race for Kids**, looking to raise as much money for Great Ormond Street Hospital and make a difference to the lives of the serious ill children who arrive at GOSH every day.

Great Ormond Street Hospital is a world leading institute that provides care that is simply not available or possible elsewhere. Our support will have an extraordinary impact on the funding for world-class research, cutting-edge medical equipment and vital parent and family support services.

On the **week of the 16th October 2023**, all children will be taking part in a fun run (of distances between 1km and 5km) during their PE lessons. On the day of their run children will be asked to donate a pound and can wear their own sports clothes. **This will be on the first PE lesson they have that week.**

Friends and family can also sponsor this event by visiting our JustGiving page: <https://www.justgiving.com/page/david-sinclair-1696344927538> which can also be found on our school website (<https://marish.marishacademytrust.co.uk/>) or <https://willow.marishacademytrust.co.uk/> - just click the MAT race for kids button).

Thank you for your support,

David Sinclair
Deputy Head Teacher
