

Animals

In Spring 2, year 3 will be starting a fantastic new topic:
Animals!

During the half term, we want you to find out about this topic at home.

Choose one of these great ideas for your Spring Project and bring it in by Friday 28th February 2025.

- Create a fact file about an animal of your choice.
- Design and make a fabulous animal mask that you could wear.
- Create a large world map showing where all the different animals of the world come from
- Visit a farm or zoo and write a recount about your day. Include photos and drawings too.
- Do you have a pet at home? Imagine that you are your pet. Write a diary entry of a day in the life of your pet.
- Find a rare animal and research about it. Make a poster to display your information.
- Find out about an extinct animal and make a mini non-fiction book about it.
- Make a shoe box habitat for an animal of your choice.

We look forward to seeing your projects!
