

Spring 2

Year 4 Special Project Homework

During this half term, your teachers would like you to create a project linked to our upcoming history topic of

'The Anglo-Saxons vs The Vikings'

You could present your project in any creative way you wish. It could be in the form of a poster, a PowerPoint, a picture or you could spend some of your holidays visiting a museum to see some artefacts. If you do, make sure you take pictures!

We look forward to seeing your amazing projects after the half term break. Please bring your projects in by Monday 3<sup>rd</sup> March 2025.
