

Special Project

Year 6

During Autumn 2, the Year 6 children will be learning about
Evolution and Inheritance in Science.

During October half term, we want you to find out about these topics at home and showcase what you have learnt. You can create a booklet, leaflet, poster, model, display, PowerPoint or video.

Next term, you will need to bring in your completed project, which will be displayed in school. **The best projects will be featured on the school website!**

Remember to present your project in a way that will be eye-catching and attractive!

Your special project is due on:

Tuesday 12th November 2024

We look forward to receiving your exciting projects!
