Issue 95 - October 2026

Message from the Senior Leadership Team

Dear Parents & Carers,

How time flies! We have already reached the end of our first half term of the academic year, and what a busy and exciting few weeks it has been! It has been wonderful to see our children settling into their new classes, building friendships and enjoying so many memorable learning experiences.

There has certainly been plenty happening across the school! Our Nursery children have been bringing stories to life through outdoor adventures. Year 4 enjoyed a fantastic journey back in time during their Roman Day workshop, while Year 6 explored the fascinating world of Ancient Greece during their Greek workshop. The children have created some wonderful clay pots, which are now proudly displayed in their classrooms and look amazing, to name just a few of the highlights!

As I write this, I can hear the children laughing with excitement and see their faces full of awe and delight as they arrive for our Halloween disco. I have to say, some of the parents' costumes are giving the children a run for their money this year!

I would also like to thank all our parents and carers for your continued support throughout this half term. Working together makes such a positive difference to our children's school experience, and we look forward to welcoming you to many more events and activities as the year progresses. Please check ClassDojo regularly for updates and news. And, of course, look out for one of our most anticipated events of the year, Ladies' Night! Tickets will go on sale after half term, so keep an eye out for further details!

As many of you know, I am passionate about reading and want every child to leave Willow as a confident, enthusiastic reader who discovers the joy of getting lost in a good book. What better way to spend some of those autumn evenings than curling up together with a lovely story? Over half term, please continue to encourage your child to read for at least 20 minutes each day. You could also visit Slough Library, which will be celebrating Green Libraries Week this October half term with free family activities and storytelling events. It is a lovely opportunity to enjoy reading together and discover something new!

If you have not already done so, please do follow @WillowPrimarySchool and @MarishAcademyTrust on Instagram to see photographs, celebrations, achievements and some of the fantastic activities taking place across our schools. It is a lovely way to keep up with everything happening at Willow and celebrate the wonderful things our children are doing.

I feel tremendously proud of our children and staff. Their enthusiasm, curiosity and dedication shine through in everything they do, and it has been a real pleasure to see so many examples of learning, creativity and joy this half term.

I hope you all have a lovely, safe and restful half-term break. Enjoy spending time together, making memories and, of course, finding a little time for a good book! We look forward to welcoming the children back, refreshed and ready for another wonderful term of learning.

Best wishes,
Mrs Quadir

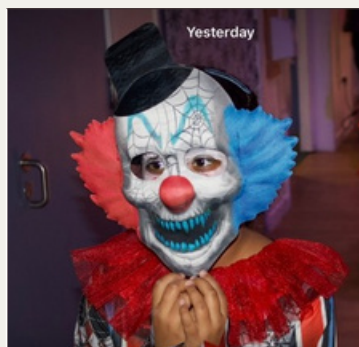

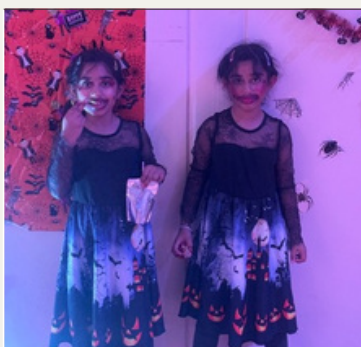

A Spooktacular Halloween Disco!

What a fantastic time we had at our Willow Halloween Disco! It was wonderful to see so many children enjoying an evening filled with music, dancing, laughter and plenty of spooky fun.

A huge thank you to everyone who came along and helped make the event such a brilliant success. We loved seeing all the fantastic costumes, happy faces and amazing dance moves!

What a lovely way to bring our Willow community together and make some more special memories!

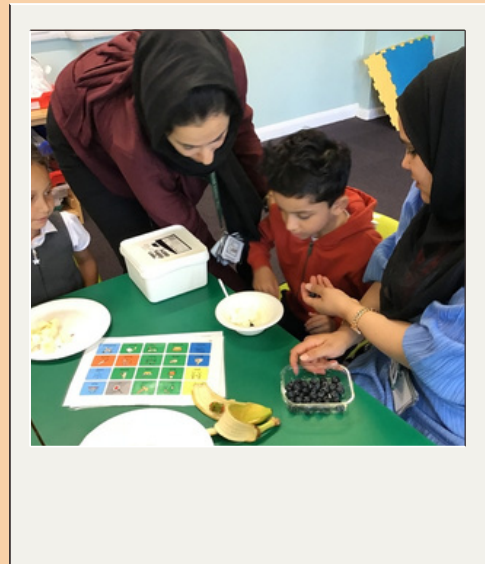

Willow Tree's Little Chefs!

Our wonderful Willow Tree children have been getting busy in the kitchen, preparing their very own delicious fruit bowls to enjoy at snack time!

The children had a lovely time getting hands-on with their food, exploring different fruits and putting together their own colourful creations. It was a fantastic opportunity to encourage independence, develop important everyday life skills and learn about making healthy food choices.

There were plenty of opportunities to practise following instructions, making choices and taking pride in preparing something for themselves. Activities like these are such a lovely way to build confidence and celebrate the little achievements that make a big difference.

We are so proud of our Willow Tree children for giving it a go and enjoying a tasty, healthy treat they helped to prepare themselves. What a fantastic bunch of little chefs!   

Nursery Follow in Rosie's Footsteps!

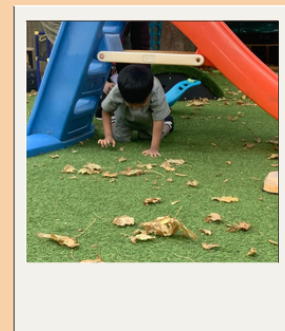

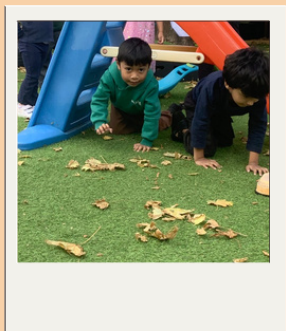

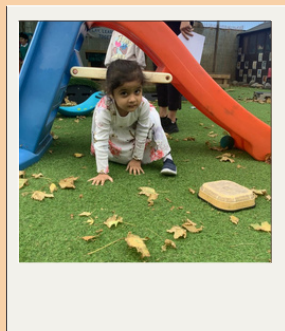

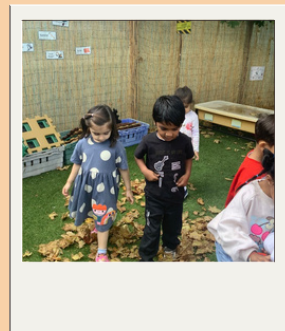

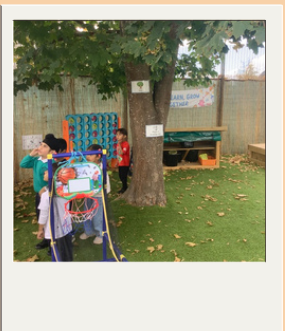

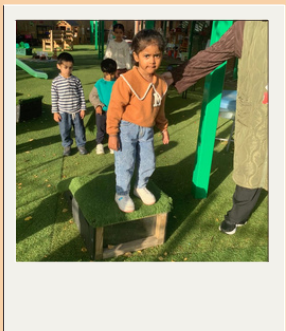

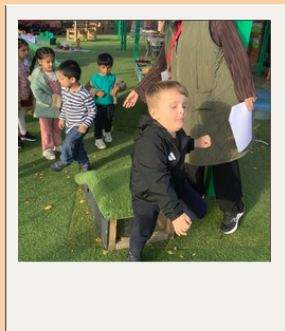

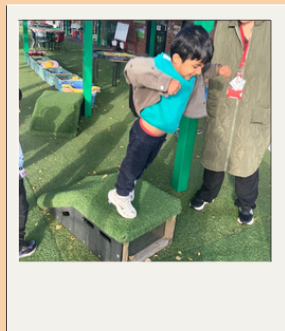

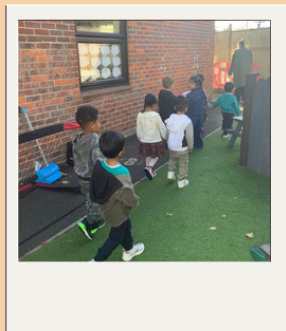

Our wonderful Nursery children have been bringing one of their favourite stories, Rosie's Walk, to life with a lovely outdoor adventure!

After exploring the story together, the children headed outside to follow in Rosie's footsteps, turning their familiar outdoor environment into a wonderful storybook setting. They climbed over the equipment to recreate the haystack, travelled around the tree and made their way under the slide to represent the beehive, just like the adventures in the book!

It was a fantastic opportunity for our youngest learners to develop their understanding of positional language, including over, around and under, while enjoying some fresh air, movement and imaginative play. The children were able to make connections between the story and their own experiences, bringing the pages of the book to life.

We love seeing our little Willow learners exploring stories in such creative ways. What a lovely adventure for Nursery, full of imagination, discovery and storytelling fun! 💙📖🌈

Year 1's Little Computing Superstars!

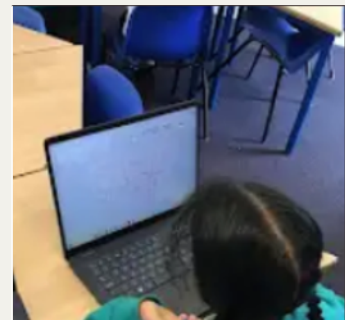

Our wonderful Year 1 children have been taking their first exciting steps into the world of Computing, discovering how Chromebooks work and learning some important new digital skills!

The children have been exploring the different parts of a computer, identifying the screen, keyboard and mouse, and learning how each one helps us use technology. They have also been practising how to log on independently to their Chromebooks and beginning to understand how to save their work so they can find it again later.

One particularly exciting challenge involved opening the Paint app and attempting to write their own names using the mouse. It certainly proved a little trickier than some of our young learners expected! There was plenty of concentration, careful mouse movement and determination as the children discovered just how much practice it takes to control the cursor and create something on screen.

It has been lovely to see Year 1 embracing these new challenges with such enthusiasm, developing their independence and celebrating their little successes along the way. We are incredibly proud of our budding Willow computer experts as they continue to build their confidence in the digital world. Keep clicking, creating and shining, Year 1! 🌈💙☀️

🌟 2W's Place Value Superstars!

Our wonderful mathematicians in 2W have been busy exploring the exciting world of tens and ones, getting hands-on with their Maths learning and discovering different ways to add numbers together!

Using Dienes blocks and place value mats, the children have been practising how to recognise, organise and combine tens and ones. These practical resources have helped them see how numbers are built and understand what happens when we add different amounts together.

There has been plenty of counting, thinking and problem-solving as the children develop their confidence and strengthen their understanding of place value. It is always lovely to see our Willow pupils enjoying their learning and discovering that Maths can be fun, practical and full of little achievements worth celebrating!

We are incredibly proud of the enthusiasm and effort our 2W children have shown. What a brilliant bunch of budding mathematicians! 🌈📊🌟

Year 4 March Back to Roman Times! 🛡️ ✨

Our wonderful Year 4 children took a giant leap back in time as they enjoyed a fantastic Roman Day workshop, discovering what life was really like thousands of years ago! The day was packed with fascinating facts, exciting discoveries and plenty of opportunities to bring their History learning to life.

The children had the opportunity to explore different objects used by the Romans, including clay tablets, which were used for writing and completing schoolwork, much like the notebooks we use today. It was wonderful to see their curiosity as they discovered how everyday life in Roman times compared with their own experiences.

Year 4 also explored the incredible growth of the Roman Empire, learning how it expanded across Europe and discovering the many countries and places that were once under Roman rule. They were particularly interested in the lives of Roman soldiers, finding out about their weapons, armour, battle tactics and the clever formations they used to work together.

There were lots of thoughtful questions, enthusiastic discussions and excited faces throughout the workshop as the children immersed themselves in the world of Ancient Rome. We absolutely love seeing our Willow pupils so engaged in their learning, and Year 4 certainly made the most of this wonderful experience.

What a brilliant day of discovery for our budding Willow historians! 🏛️ 💙 ☀️

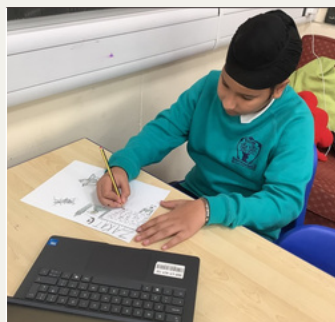

Year 6 Get Creative with Culture and Faith! 🎨 ✨

Our wonderful Year 6 children have been busy exploring history, creativity and different beliefs through some fantastic learning in Art and RE!

In Art, the children have been bringing their Ancient Greece topic to life by creating their very own Greek-inspired pots. They have enjoyed getting creative, exploring traditional designs and patterns, and putting their artistic skills to work as they develop their masterpieces. It has been lovely to see their creativity shining through!

Meanwhile, in RE, Year 6 have been learning about the Five Pillars of Islam, exploring their importance to Muslims and how they help guide everyday life and religious practice. The children have been designing informative posters to share their understanding, combining their knowledge with colourful and thoughtful presentations.

We are incredibly proud of the enthusiasm, creativity and respect our Year 6 pupils have shown across both subjects. It is wonderful to see them celebrating different cultures, exploring beliefs and expressing their learning in such imaginative ways. Fantastic work, Year 6! 🌈💙☀️

Playground Fundraising Initiative

We are excited to share that both schools will be fundraising throughout the year to support the purchase of new playground equipment. A variety of events will be held across the year to help us reach this goal. We look forward to your support and involvement in these upcoming activities.

School Lunches

Please remember to book your child's school lunches in advance through ParentPay.

If you do not have a ParentPay login or are having trouble accessing your account, please speak to the school office, who will be happy to help.

Polite Reminder to Parents and Carers

We kindly request that no dogs (or any other pets) are brought onto the school premises, even if they are being carried.

Please also ensure that bikes and scooters are not ridden anywhere within the school grounds. There have been a few concerns raised about near accidents involving pedestrians. When leaving bikes in the designated bike area, please make sure they are securely locked.

Additionally, we ask all parents and carers to be considerate of our neighbours during drop-off and pick-up times. Please park responsibly and drive calmly and safely around the school.

Thank you for your cooperation in helping us maintain a safe and respectful environment for everyone.

Willow School Uniform

Our Willow school uniform is:

- Green Sweatshirt or cardigan
- Navy blue trousers, shorts or skirt
- White shirt or polo shirt
- Black sensible shoes (no boots, high heels or platforms)
- (Nursery – the above with dark coloured jogging bottoms)

💚 Come and be part of something special. We can't wait to welcome some new faces to our Willow family!

Spread kindness with our Teddy Tombola!

To celebrate World Kindness Day on Friday 13th November, our school's Kindness Ambassadors are organising a Teddy Tombola to raise money for 52 Lives, a charity they are supporting.

TEDDY TOMBOLA – Friday 13th November

Join us in the playground after school! For just 50p per go, children can take part in our tombola and win a teddy or soft toy to take home. Each prize will match the number on their tombola ticket!

MUFTI DAY – Friday 6th November

Our theme is “Wear something to make someone happy!”

To help us prepare for the tombola, we kindly ask each child to bring in a clean, good-quality soft toy that they no longer want. These toys will become prizes for the following week's event, giving them a new home where they can make another child happy!

Every little act of kindness makes a difference. Thank you for helping our children spread happiness while supporting such a wonderful cause!

Together, we can make a difference!

Important Pupil Premium notice

Did you know that your child could be helping to bring extra funding into school?

If your family receives certain benefits, your child may be eligible for Pupil Premium. This funding helps us provide additional support, resources and enrichment opportunities that benefit children throughout their time at school. It also means that core funding can be used for some of those items which school otherwise, struggles to afford, such as air conditioning.

Even if your child does not have school meals, or you are unsure whether you qualify, we encourage you to check, as the school and your child will still benefit. The application is quick, confidential and could make a real difference to your child's education.

If you think you may be eligible, or would like help completing an application, please contact the school office. We're always happy to help.

Thank you for taking a few moments to check your eligibility and for your continued support.

Parent Notices

A REMINDER ABOUT SAFE AND RESPECTFUL PICK-UP AND DROP-OFF

We would like to remind all families about the importance of safe, sensible and respectful behaviour during pick-up and drop-off times.

For everyone's safety, please ensure that:

- Pavements are kept clear and not used for parking, so that children, pushchairs and families who cannot step into the road can pass safely.
- Local residents' driveways are not blocked and the surrounding community is respected.
- Rubbish is taken home and not left in the local area.

We also ask that all adults speak to one another in a calm, polite and respectful manner at all times. As a school community, we are role models for our children, and they look to us to demonstrate kindness, patience and understanding.

Our school serves many children with additional needs, including those who may move unpredictably or require the safety of the pavement at all times. Please be mindful of this and show consideration to all families.

Thank you for your cooperation in helping to keep our school community safe, welcoming and supportive for everyone.
