

# Special Project

## Year 3

In Year Three we will be starting a new History topic:

### **The History of Heathrow Airport.**

During the holidays, we want you to find out about this topic at home and complete the task below to showcase what you have learnt. You can show what you have learnt by creating a booklet, poster, model, display, PowerPoint or video.

Next term, you will need to bring in your completed project, which will be displayed in the school. **The best projects will be featured on the school website!**

#### Your Task:

**Research and produce a project that you can present to your class based on The History of Heathrow Airport. You need to portray what the area around the Heathrow Airport was like before it was built, the early stages of the development and completion of the Airport. Think about the similarities and differences – Heathrow Airport NOW and when it was built.**

**Also think about the differences - before the Airport was built and after it was built.**

#### **Topic areas include:**

- why was the airport built**
- Consequences of the airport being built**
- Changes to the area and population**
- Significant dates, times and people contributing to the development of Heathrow Airport**

**Your special project is due:**

**Monday,**

**8<sup>th</sup> November 2021**

**And remember, if you bring a project in, you earn at least 5 stamps!**
