

# Year 1 Autumn 2

## Special Project

Next half term for our Science topic the children will be learning about 'Materials'

### Can you be a Materials Detective?

Can you find objects in your house which are made from wood, plastic, metal and glass.

You can draw or take photographs of the objects and present in a poster telling us some facts about those materials

Please bring in your completed project, which will be displayed in the classroom. The best projects might even be featured on the school website!

**Thank you for your continued support!**
